 - Identify key use cases and requirements for the customers
 - Qualify customer opportunities.
 - Engage with customers to secure product and capability demonstrations for Fivecast
 - Engage with customers to secure, monitor, track and review Fivecast product trials
 - Engage with customers to secure sales of Fivecast product and capabilities
 - Manage the Fivecast APAC customer opportunity pipeline, including the development and execution of customer capture plans

- Identify and engage with key customer influencers (eg thought-leaders, professional associations etc) to promote Fivecast in the law enforcement, national security and defense sectors.
 - Build long-term relationships with new and existing customers and partners
 - Grow existing customer user base through direct and channel sales
 - Provide trustworthy feedback and after-sales support
 - Represent Fivecast at conferences as a delegate or exhibitor
 - Update the customer relationship management (CRM) system
 - Maintain the relevant sales forecast
- Thought leadership
 - Working with the marketing team and external consultants to build thought leadership around Fivecast
 - Represent Fivecast at conferences as a delegate or exhibitor
- Product demonstration and training:
 - Maintaining a strong user understanding of Fivecast software and its key features.
 - Work with the tradecraft team to provide software demonstrations to potential customers, as required.
- Work closely with the VP Channels & Alliances in engagement with Fivecast partners

Skills and Experience

Essential Criteria:

- A proven track-record in enterprise software sales in the APAC Federal government sector
- Excellent communication and stakeholder management skills
- Demonstrated history of over-achieving sales targets and earning 100% club awards
- Highly regarded and well-connected within the law enforcement and national security sector
- Must live in Australia
- Must have 5 to 7 years' experience selling to the Federal government

Desirable Criteria:

- Recent experience selling to Government sectors including defense, law enforcement and national security

- Current list of contacts in federal and state law enforcement and ability to leverage your network to bring revenue to Fivecast.
- Understanding of application of open-source intelligence and risk assessment
- Understanding of investigation and intelligence practices in law enforcement and national security agencies in the APAC region

Security Clearance

- Minimum SECRET clearance or eligibility to acquire one is desirable.

Expected Behaviours

To model the behaviours expected of all staff, the Federal Account Executive, APAC will:

- support and encourage a diversity of views, skills and personalities across the business;
- be open, honest and maintain respect for all personnel and partners;
- maintain a policy of inclusiveness and encourage dialogue with all stakeholders;
- clearly and constructively voice concerns and ideas;
- actively seek to build relationships with all of Fivecast's internal and external stakeholders; and
- commit to deliver and deliver on all commitments.

Location: AUSTRALIA

Travel: Regular (up to 20%) interstate and APAC region travel will be required. Some travel to the Fivecast Office in Adelaide, Australia may be required.
